

PROPHETIC WORD FOR 2011

31 December 2010

2011 is going to be a year where the church comes forth in a greater degree of maturity, wholeness, power and favour, have been proven and positioned through challenges allowed by God for our good and the extension of the kingdom.

In 2011 God is going to rock the boat

1. There will be more changes, repositioning and relocations
2. There will be more testing and trying of our faith and trust in God
3. *Remember*, it is his hand rocking the boat, trust and God will strengthen us (disequilibrium forces a continual adjustment of the centre of gravity and develops core strength)
4. We need to keep God's abiding presence as our centre of gravity
5. *Hold fast* to his word in your core, hold fast to truth, and resist double mindedness
6. As a result the church will rise to another level of maturity & wholeness and a new degree of release and expression of God's call *to rule and reign*

2011 will see global change on a grand scale

The foundations of Babylon are crumbling and structures built on that foundation will tumble and people will be freed from the control of the spirit of Babylon.

I saw other foundations being shaken but they were earthquake proof – the kind that slip and slide with the movement then settle down again when the shaking ceases. Structures (institutions, including churches) that have had their foundations “renewed” and “re-engineered to current standards, will be shaken but will not be destroyed or suffer significant loss.

Daniel 3

2011 is going to be another year of testing – 2010 was intense, 2011 will be more intense, **yet God's glory will be revealed in the midst of it – and his favour will increase upon us as we come out of it.** As it did when Shadrach, Meshach and Abednego remained true to God; trusting in his faithfulness, “**even if**”. God was with them in the fire and the king and his attendants **saw it** – as a result of this they were positioned and promoted to fulfil God's purpose. There will be significant positioning and promotion for God's purpose in secular spheres of influence and government in 2011 for those who go through the fire holding fast in faith.

It's as if God is going to command Nebuchadnezzar to heat the furnace 7 times hotter - the *wisdom of Daniel* - a greater Daniel anointing than we've walked in before will be revealed in the fire along with the glory of God, and the church will emerge from the fire with great favour and authority.

Prayer

1. 2011 a season to rise in a fresh way to the challenge of authoritative strategic prayer to target controlling spirits sitting on territories that are to be taken for the kingdom.
2. Commitment is needed to consistent prayer cover over churches, church leaders, and the government.

3. Also consistent prayer must be engaged in to cover and strengthen the weak and those under pressure.

Breakthrough

1. 2011 will be a year of **significant breakthrough in the midst of warfare** – the church will go forward with great strides if not intimidated or caught off balance by what the enemy throws at us:

“Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, and into an inheritance that can never perish, spoil or fade – kept in heaven for you, who through faith are shielded by God’s power until the coming of the salvation that is ready to be revealed in the last time. In this you greatly rejoice, though now for a little while you may have to suffer grief in all kinds of trials. These have come so that your faith – of greater worth than gold which perishes even though refined by fire – may be proved genuine and may result in praise, glory and honour when Jesus Christ is revealed.” – 1 Peter 1:3-7

2. I saw the attacks of the enemy coming against the church in the way images leap off the screen in 3D movies (designed to make you jump with shock and hook you in so you feel like you are right in the middle of the movie) but it’s not real, it’s an ‘effect’. The devil will ‘effect’ attacks that will seem frightening and real but we must not be hooked into them (take off the 3D glasses and see with the clear eyes of faith for true perspective)
3. The devil wants to immobilise us through shock tactics **but God wants to mobilise his church and sharpen her discernment and confidence to walk by faith not sight**

Training in 2011:

- A new mandate and release for training
- Fore-warned is fore-armed – TRAIN the saints
- To know God’s voice even in the midst of distraction and warfare
- To pray effectively to disarm the enemy
- Not just for defence – to know how to move forward and take ground
- Training to go from strength to strength and immaturity to maturity

Make proper provision for wounded warriors:

- I saw a “Holy Spirit MASH unit” (mobile army surgical unit)
- Skilled at working under fire on the front line
- Aim to return as many as possible to active service and get others to appropriate help

In the midst of all this I saw a new move of God sprouting like new shoots of grass, springing up everywhere, regardless of boundaries, borders and structures

I saw a key turning in the lock of an ancient door in 2011. Something to do with dissolving a sacred/secular split, increasing partnership including church and government, church and education, men and women.

Look for a KEY event involving Prime Minister KEY in a KEY policy – something that historically was locked up will be unlocked in 2011

“Finally be strong in the Lord and in his mighty power. Put on the full armour of God so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Stand firm then with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints.” Eph. 6:10-20

Jill Smith
